BRISTOL GROUP NEWSLETTER

AUGUST 2021

Welcome to the AUGUST meeting

Tonight is the fifth meeting/gathering this year since last September and October 2020. , We do not have any thing planned for this evening as Si is away , so no BBQ this month , however , we hope to arrange this for next month .

It was brilliant to see some of you last month , as it was mostly an outside event and we ran the smaller than usual annual show and shine , results will be available next month and the trophies issued in the December meeting .

Due to the covid restrictions now been lift somewhat we are now able to go inside the club house , this evening we are in the large hall , HOWEVER face masks are recommended to be worn , you can now be served at the bar , but not hang around there but sit at a table of any number ,

It was great to see a few of you at Fordfair a week or so back , shame the weather was not a great as it was a few years back ... when we all toasted , the show was a lot smaller than in the past few years many due to the wet weather and covid , but roll on next year for them again at silverstone

For those of you attending next weekends RSOC national ... we hope you have a good time there , do not forget to take some photos and share them on our facebook page , for all of us to see

Currently there are a fair few shows mapped out to which we are planning to attend , these are listed on our website and also on our Facebook page .

This year we are asking you to book some of your own show requirements via the events dedicated websites , we have now provided you with the simple booking codes to enable you to do this as required as shown on the back of this newsletter , these will NOT be published or allowed to be shared on social media platforms in any form .

Castle combe action days will be booked for you , however payment is required as soon as these have been paid ,

Due to the Forage action day is taking place before the next monthly meeting , can we ask all those attending to ensure that we have your full postal address etc up to date ... as we are not prepared to

sort this out a matter of days before the event

WE have booked and paid for Forge action day which is now full , and Rallyday , so if you wish to attend this one you need to pay for your entry passes this evening as its your last opportunity to apply .

The Autumn action day etc will be sorted with in the next week or so , so if you would like to take part in these last few action days of 2021 then please speak to Ian and pay for them this evening , as the September meeting will be too late ... again it is 1st come etc etc .

Sorry this newsletter is again short, sweet ,and not formatted as usual as time has again run .away

This year we are hoping to arrange a Christmas party at the Aztec hotel in December , all the full details are available on our Facebook page if you wish to take part please speck to Si or Nat

KEEP SAFE and BE GOOD as we look forward to better times ahead
