Good Evening all, Dave has been rather busy with his after work activities so a short show report from your Chairman.

Well it was the first show of the year and what a start! Combe was graced with some of the best cars, clubs and trade stands on the day

which will take some beating...It was packed, and there was lots of enthusiasts coming through the gate. You could tell it had been a long winter.

The weather was fantastic, I even got sun burnt!

I was asked to go on the Infinity Exhaust stand so I wasn't on the club stand but I wandered over to the stand and caught up with a few of you during the day.

I walked the track on the day, well worth doing if you get chance and enjoyed the track

action and the drifting. I was really impressed with Darren in his Focus doing Charity rides car was looking quick!

Good to see new members cars on stand as well as the regulars.

Pure Ford next up, I'm on holiday but hopefully should be another great event.

Simon

Pure Ford (by DP)

The rain held off , the event was not as busy as the past few years , this may have been due to the storm coming through which was

very windy and this may have put the attending owners off from attending and it caused a bit of damage to the traders attending .

DP was asked to place his car in concourse and won 2<sup>nd</sup> ... well done .

Darren was having a good day doing the charity rides for the paying public

Club stand winners .
