## Welcome to the OCTOBER Meeting

### This Evening

Tonight's meeting we are planning to present the long awaited trophies from the July show and shine competition , we will also bring you the ever popular raffle .

### Last Month Meeting

Last months meeting was a busy evening discussing the way of going forward in the judging of the days of the day on our local group stand at the many shows we do up and down the country during the show season .... The voting went to the fact that Dave P will arrange for the cars to be judged by an other club attending that show on that day , and we also ran the popular raffle,.

### Next Months Meeting

The NOVEMBER meeting which is on Wednesday 16th , we will try to bring you a fun packed evening , as well as the every popular raffle

### Events and Shows

The 2016 show season has now come to an end ... where did that go then ... A BIG thank you to everyone who attended the many shows we planned to visit this year , and we know a good few you have attended all the planned shows ...well done , it puts your club up there in the top few with the amount of club members cars on the stands .

Hopefully the final show report will be issued next month .

This year we have decided to bring back the annual Christmas meal/ party , however this year it is just the meal at the Shipp Inn at Alveston , on Saturday 3<sup>rd</sup> December , which is just down the road from here , the festive meal consists of 2 options , ( 1 ) is 2 course meal for £16.99 each or ( 2 ) is the 3 course meal at £19.99 each , a disco is taking place but we are not paying for that bit , but you may be able to sneak in the the disco .

A week or so ago I received an email requesting if any of our members where interested in putting on a display of FORD cars which covered the spectrum of Ford cars if possible , this is support the grand opening of the redevelopment of the million pound car showroom at Bristol Street Motors in Gloucester ..... I did reply and then call the gent back to say that we would be able to supply a range of great cars belonging to our membership , the opening may not happen until January 2017 as building is only half way there at the moment , I would like names from those interested in this please ASAP .

### Web Site

Our local group web site is slowly coming together , but please bear with us as we now put the whole thing together as the site is been started from scratch .... the site will be updat-

ed very regularly by one of us to give you all the latest info.
